THE HISTORY OF HERMANUS HIGH SCHOOL

Hermanus High School will be celebrating its seventy-fifth anniversary in 2016, but its roots stretch back far beyond 1941 the year in which the school received official high school status.

Legend has it that the first school, St. Peter's Mission School, was founded in 1868. The Dutch Reformed Church School was founded in 1884 and in 1897 the two schools amalgamated into what became the public school.

Construction on the famous stone building began in 1907 and it was officially occupied in 1911. In 1918 the school received primary school status under Mr S.G. du Toit as headmaster. Gradually the school expanded until in 1941 it was awarded high school status.

The first matric class wrote their examinations in December 1942. A shortage of facilities made teaching difficult and there followed a struggle between the school and the Education Department to obtain more classrooms. Eventually construction began on a new school in 1974 and in 1977 the High School moved to its present home.

The school currently boasts excellent facilities including a gymnasium, six netball courts, four tennis courts, three rugby fields, two cricket pitches, three hockey fields and two well-equipped computer centres; these being just some of the more recent additions to the school.

From its humble beginnings in 1941 with only 60 learners, Hermanus High School has grown in stature to where it is now regarded as a leader in academic, sporting and cultural affairs, with 890 learners.

GESKIEDENIS VAN DIE SKOOL

Alhoewel die Hoërskool Hermanus sy vyf-en-sewentigste herdenkingsjaar in 2016 gaan vier strek sy wortels veel verder die verlede in as 1941 toe die skool amptelik hoërskoolstatus verkry het.

Volgens oorlewering is die eerste skool, nl. die St. Peter's Mission School in 1868 gestig. In 1884 is die NG-Kerkskool gestig en in 1897 het dié twee skole saamgesmelt en die Publieke Skool geword.

Bouwerk aan die bekende klipgebou het in 1907 begin en is gedurende 1911 as skool in gebruik geneem. Die skool bereik in 1918 Primêre Skoolstatus met mnr S.G. du Toit as die skoolhoof. Stadig maar seker het die skool gegroei tot dit in 1941 hoërskoolstatus verkry het.

In Desember 1942 skryf die eerste matriekklas van die Hoërskool Hermanus eksamen.

'n Gebrek aan die nodige fasiliteite maak onderwys moeilik en 'n stryd om meer klaskamers ontstaan tussen die skool en die onderwysdepartement. Eindelik begin bouwerk aan 'n nuwe skool gedurende 1974 en in 1977 verhuis die Hoërskool na die nuwe tuiste.

Die skool beskik tans oor pragtige fasiliteite waarvan 'n gimnasium, 6 netbal-bane, 4 tennisbane, 3 rugbyvelde, 2 krieketkolfblaaie, 3 hokkievelde en 2 goedtoegeruste rekenaarlokale maar enkele van die toevoegings is wat deur die skool in die afgelope jare bygevoeg is.

Die skrale 60 leerders van 1941 het geleidelik tot die huidige 890 gegroei. Dié fenominale groei, veral die afgelope 10 jaar, het Hoërskool Hermanus as 'n toonaangewende skool in die Overberg gevestig.

MESSAGE FROM THE PRINCIPAL

Hermanus High School is a co-educational, dual-medium (English and Afrikaans) school with an educational ethos based upon sound Christian values. If one is to read through the mission statement and aims of the school it becomes apparent that Hermanus High School believes that a true education extends well beyond the classroom. Supplying every learner with the best possible academic opportunity available remains our firm priority, while it is ultimately the aim of the school to produce well-balanced and responsible young adults who will be able to take their place in society. In order to do this Hermanus High School strives to ensure an effective education focusing not only on high academic standards but also through offering opportunities in the sporting, cultural and service spheres of life. Hermanus High School is no ordinary school and the high standard of education your child will receive here is largely due to a team of well qualified, experienced and motivated staff.

The school's outstanding academic results speak for themselves while the number of provincial and national representatives produced on the sports field is indeed impressive. From a cultural perspective there are very few schools which offer the variety of opportunities that Hermanus High School does.

The history of the Hermanus Schools stretches as far back as 1868 with the first matric class writing their final exams in 1941. This proud history has ensured a culture and tradition in the school that cannot be bought or created overnight. Together with this tradition come the old school values of respect, manners and firm discipline. All these fine old educational values form an important part of the education offered at the school.

The school's contented parents and happy learners are testimony to the quality of the education offered. I would encourage anyone interested in applying to Hermanus High School to speak to any of our parents or learners to confirm the quality of the school's education. Alternatively, please feel free to make an appointment to see me. I would be happy to introduce you to the school and discuss any queries or questions you may have.

BOODSKAP VAN DIE HOOF

Hoërskool Hermanus is ‘n ko-opvoedkundige, dubbelmediumskool (Engels en Afrikaans) met ‘n opvoedkundige etos wat op sterk Christelike waardes gefundeer is. Die missie en die doelwitte van die skool beklemtoon dat die opvoeding hier wyer as die klaskamer strek.

Alhoewel dit steeds ons hoogste prioriteit is om aan elke leerder die akademiese geleentheid te bied, is dit ook ons doelwit om gebalanseerde en verantwoordelike jongmense wat hul plek in die gemeenskap kan volstaan, voor te berei. Om dit moontlik te maak, streef Hoërskool Hermanus daarna om effektiewe opvoeding daar te stel deur nie slegs op die akademie te fokus nie, maar ook op sport, kultuur en dienslewering aan die gemeenskap.

Hoërskool Hermanus is geen doodgewone skool nie en die hoë standaard opvoeding wat u kind hier ontvang, is a.g.v. ‘n toegewyde goed-opgeleide en gemotiveerde span opvoeders.

Die skool se uitstaande akademiese prestasies spreek vanself, asook die aantal provinsiale en nasionale sportprestasies. Hoërskool Hermanus is een van min skole wat ‘n groot verskeidenheid kultuuraktiwiteite bied.

Die geskiedenis van Hoërskool Hermanus strek sover terug as 1868 en die eerste matriekklas het hul eindeksamen in 1941 voltooi. Hierdie trotse geskiedenis het ‘n kultuur en tradisie gevestig wat nie oornag gekoop of geskep kan word nie. Hierdie tradisie bewerkstellig die ou opvoedkundige waardes van respek, goeie maniere en ferm dissipline. Hierdie opvoedkundige waardes vorm ‘n belangrike deel van die opvoeding by hierdie skool.

Die skool se tevrede ouers en gelukkige leerders getuig van die gehalte van die opvoeding by Hoërskool Hermanus. Indien u daarin sou belangstel om aansoek te doen, moedig ek u aan om met enige van die ouers en leerders te gesels en bevestiging hiervan te kry.

Andersins voel asseblief vry om ‘n afspraak met my te maak. Dit sal vir my aangenaam wees om u aan die skool bekend te stel en enige vrae of navrae te beantwoord.

SKOOLLIED

Waar bruisend' golf met skuimgeweld
Teen ruwe rotse stry;
Waar branders breek en heen en terug
Oor gladde strande gly;
Waar winde in die veld baljaar
En maanhaar oor die see;
Waar somerson oor stille meer
Die bergekruin betree:
Daar staan my Alma Mater trots,
Daar stry ons hand aan hand.
Hermanus-skool kweek deug en eer
En trou aan Vaderland.

And evermore our aim shall be
to honour Thy good name;
At work and play, what e'er we do -
in all to play the game.
For higher than the towering range
and deeper than the sea,
and wider than the azure sky,
our love for Thee shall be.
So let us all united stand,
let this our motto be:
To face the task and march ahead
To glorious victory.

VOLKSLIED

Nkosi sikelel; Afrika
Maluphkanyisw' uphondo Iwayo,
Yizwa imithandazo yethu,
Nkosi sikelela,
thina lusapho Iwayo.

Morena boloka setjhaba sa heso,
O fedise dintwa le matshwenyeho,
O se boloke, O se boloke
setjhaba sa heso,
Setjhaba sa South Afrika
South Afrika

Uit die blou van onse hemel,
Uit die diepte van ons see,
Oor ons ewige gebergtes,
Waar die kranse antwoord gee.

Sounds the call to come together,
And united we shall stand,
Let us live and strive for freedom
In South Africa, our land.
