

VOORRAAD VIR DIE VISUELE KUNSDEPARTEMENT GRAAD 10-12

Hierdie is net 'n aanbeveling van watter kunsprodukte die leerders in die loop van die volgende 3 jaar gaan benodig, so wanneer jy kunsgereedskap en -produkte koop, belê in goeie kwaliteit toerusting en produkte, want die materiaal kan vir die volgende paar jaar gebruik word. Alles hoef nie gelyk aangekoop te word nie. Daar sal duidelik aan u kind verduidelik word watter toerusting vir elke kwartaal benodig word.

Kuns is 'n baie tydrowende vak wat 'n finansiële impak op jou maandelikse begroting kan hê. Baie internetnavorsing word verwag (verplichtend) en die visuele voorbeelde moet in kleur gedruk word (departementele vereiste) indien anders vereis, vir 'n spesifieke opdrag.

Hierdie kunsvoorrade is bykomende uitgawes aan die begin van elke jaar wat nie by die skoolfonds ingesluit is nie. Kunsvoorrade kan slegs oor die loop van 3 jaar aangevul word aangesien jou kind die toerusting benodig. Aankope van basiese kunsbenodighede soos: **portefeuljepapier, wit papier, grys potlode, lino, fabriano papier / bord, ens. is beskikbaar by Mej A. Marais**. Maak seker dat alle ondersteunings-items duidelik gemerk is. Die volgende voorraad is regdeur die jaar by Juf A. Marais te koop. Kontant op aankope asb. Pryse kan deur die jaar verskil as gevolg van rentekoerse wat toerusting en kunsvoorrade beïnvloed.

STOCK FOR THE VISUAL ARTS DEPARTMENT GRADE 10-12

This is just a recommendation of what art products the learners will need over the course of the next 3 years, so when buying art tools and products, invest in good quality equipment and products because the materials can be used for the next few years. Everything does not have to be purchased simultaneously. It will be clearly explained to your child what equipment is required for each term.

Art is a very time-consuming subject that can have a financial impact on your monthly budget. Much internet research is expected (mandatory) and the visual pictures must be printed in colour (departmental requirement) for all assignments.

These art supplies are not included in the school fund and are thus on additional expense at the beginning of the year. Art supplies can only be replenished as your child needs the equipment over the course of 3 years.

Purchases of basic art supplies such as: portfolio paper, white paper, grey pencils, lino, fabriano paper / board, etc. is available from Miss A. Marais. Unfortunately, learners cannot buy on credit, all purchases have to be paid for in cash.

Make sure all items are clearly marked with your child's name. The following stock is available for purchase throughout the year from (Miss A. Marais). Prices may vary throughout the year due to interest rates affecting equipment and art supplies.
